BE IT ENACTED BY THE GENERAL ASSEMBLY OF GEORGIA:

Chapter 3 of Title 39 of the Official Code of Georgia Annotated, relating to The Interstate Compact on Juveniles, is amended by designating the existing provisions of said chapter as Article 1 thereof and adding a new article to read as follows:

"ARTICLE 2.

39-3-10.

This article shall be known and may be cited as 'The Interstate Compact for Juveniles.'

39-3-11.

The Governor of this state is authorized and directed to execute a compact on behalf of the State of Georgia with any of the United States legally joining therein in the form substantially as follows:

'ARTICLE I.

PURPOSE.

H. B. 1225

1 The compacting states to this Interstate Compact recognize that each state is responsible for
2 the proper supervision or return of juveniles, delinquents and status offenders who are on
3 probation or parole and who have absconded, escaped or run away from supervision and
4 control and in so doing have endangered their own safety and the safety of others. The
5 compacting states also recognize that each state is responsible for the safe return of juveniles
6 who have run away from home and in doing so have left their state of residence. The
7 compacting states also recognize that Congress, by enacting the Crime Control Act, 4 U.S.C.
8 Section 112 (1965), has authorized and encouraged compacts for cooperative efforts and
9 mutual assistance in the prevention of crime. It is the purpose of this compact, through means
10 of joint and cooperative action among the compacting states to:

11 (A) Ensure that the adjudicated juveniles and status offenders subject to this compact are
12 provided adequate supervision and services in the receiving state as ordered by the
13 adjudicating judge or parole authority in the sending state;

14 (B) Ensure that the public safety interests of the citizens, including the victims of juvenile
15 offenders, in both the sending and receiving states are adequately protected;

16 (C) Return juveniles who have run away, absconded or escaped from supervision or
17 control or have been accused of an offense to the state requesting their return;

18 (D) Make contracts for the cooperative institutionalization in public facilities in member
19 states for delinquent youth needing special services;

20 (E) Provide for the effective tracking and supervision of juveniles;

21 (F) Equitably allocate the costs, benefits and obligations of the compacting states;

22 (G) Establish procedures to manage the movement between states of juvenile offenders
23 released to the community under the jurisdiction of courts, juvenile departments, or any
24 other criminal or juvenile justice agency which has jurisdiction over juvenile offenders;

25 (H) Insure immediate notice to jurisdictions where defined offenders are authorized to
26 travel or to relocate across state lines;

27 (I) Establish procedures to resolve pending charges (detainers) against juvenile offenders
28 prior to transfer or release to the community under the terms of this compact;

29 (J) Establish a system of uniform data collection on information pertaining to juveniles
30 subject to this compact that allows access by authorized juvenile justice and criminal justice
31 officials, and regular reporting of Compact activities to heads of state executive, judicial,
32 and legislative branches and juvenile and criminal justice administrators;

33 (K) Monitor compliance with rules governing interstate movement of juveniles and initiate
34 interventions to address and correct noncompliance;

35 (L) Coordinate training and education regarding the regulation of interstate movement of
36 juveniles for officials involved in such activity; and

(M) Coordinate the implementation and operation of the compact with the Interstate Compact for the Placement of Children, the Interstate Compact for Adult Offender Supervision and other compacts affecting juveniles particularly in those cases where concurrent or overlapping supervision issues arise. It is the policy of the compacting states that the activities conducted by the Interstate Commission created herein are the formation of public policies and therefore are public business. Furthermore, the compacting states shall cooperate and observe their individual and collective duties and responsibilities for the prompt return and acceptance of juveniles subject to the provisions of this compact. The provisions of this compact shall be reasonably and liberally construed to accomplish the purposes and policies of the compact.

INTERSTATE COMMISSION FOR JUVENILES.

A. The compacting states hereby create the 'Interstate Commission for Juveniles.' The commission shall be a body corporate and joint agency of the compacting states. The commission shall have all the responsibilities, powers and duties set forth herein, and such additional powers as may be conferred upon it by subsequent action of the respective legislatures of the compacting states in accordance with the terms of this compact.

B. The Interstate Commission shall consist of commissioners appointed by the appropriate appointing authority in each state pursuant to the rules and requirements of each compacting state and in consultation with the State Council for Interstate Juvenile

1 Supervision created hereunder. The commissioner shall be the compact administrator,
2 deputy compact administrator or designee from that state who shall serve on the Interstate
3 Commission in such capacity under or pursuant to the applicable law of the compacting
4 state.

5 C. In addition to the commissioners who are the voting representatives of each state, the
6 Interstate Commission shall include individuals who are not commissioners, but who are
7 members of interested organizations. Such non-commissioner members must include a
8 member of the national organizations of governors, legislators, state chief justices,
9 attorneys general, Interstate Compact for Adult Offender Supervision, Interstate Compact
10 for the Placement of Children, juvenile justice and juvenile corrections officials, and crime
11 victims. All non-commissioner members of the Interstate Commission shall be ex-officio
12 (non-voting) members. The Interstate Commission may provide in its by-laws for such
13 additional ex-officio (non-voting) members, including members of other national
14 organizations, in such numbers as shall be determined by the commission.

15 D. Each compacting state represented at any meeting of the commission is entitled to one
16 vote. A majority of the compacting states shall constitute a quorum for the transaction of
17 business, unless a larger quorum is required by the by-laws of the Interstate Commission.

18 E. The commission shall meet at least once each calendar year. The chairperson may call

20 shall call additional meetings. Public notice shall be given of all meetings and meetings
21 shall be open to the public.

22 F. The Interstate Commission shall establish an executive committee, which shall include
23 commission officers, members, and others as determined by the by-laws. The executive
24 committee shall have the power to act on behalf of the Interstate Commission during
25 periods when the Interstate Commission is not in session, with the exception of rulemaking
26 and/or amendment to the compact. The executive committee shall oversee the day-to-day
27 activities of the administration of the compact managed by an executive director and
28 Interstate Commission staff; administers enforcement and compliance with the provisions
29 of the compact, its by-laws and rules, and performs such other duties as directed by the
30 Interstate Commission or set forth in the by-laws.

9 except as set forth in the Rules or as otherwise provided in the Compact. The Interstate
10 Commission and any of its committees may close a meeting to the public where it
11 determines by two-thirds vote that an open meeting would be likely to:

- 12 1. Relate solely to the Interstate Commission's internal personnel practices and
13 procedures;
- 14 2. Disclose matters specifically exempted from disclosure by statute;
- 15 3. Disclose trade secrets or commercial or financial information which is privileged or
16 confidential;
- 17 4. Involve accusing any person of a crime, or formally censuring any person;
- 18 5. Disclose information of a personal nature where disclosure would constitute a clearly
19 unwarranted invasion of personal privacy;
- 20 6. Disclose investigative records compiled for law enforcement purposes;
- 21 7. Disclose information contained in or related to examination, operating or condition
22 reports prepared by, or on behalf of, or for the use of, the Interstate Commission with
23 respect to a regulated person or entity for the purpose of regulation or supervision of such
24 person or entity;
- 25 8. Disclose information, the premature disclosure of which would significantly endanger
26 the stability of a regulated person or entity; or
- 27 9. Specifically relate to the Interstate Commission's issuance of a subpoena, or its
28 participation in a civil action or other legal proceeding.

29 J. For every meeting closed pursuant to this provision, the Interstate Commission's legal
30 counsel shall publicly certify that, in the legal counsel's opinion, the meeting may be closed
31 to the public, and shall reference each relevant exemptive provision. The Interstate
32 Commission shall keep minutes which shall fully and clearly describe all matters discussed
33 in any meeting and shall provide a full and accurate summary of any actions taken, and the
34 reasons therefore, including a description of each of the views expressed on any item and
35 the record of any roll call vote (reflected in the vote of each member on the question). All
36 documents considered in connection with any action shall be identified in such minutes.

1 K. The Interstate Commission shall collect standardized data concerning the interstate
2 movement of juveniles as directed through its rules which shall specify the data to be
3 collected, the means of collection and data exchange and reporting requirements. Such
4 methods of data collection, exchange and reporting shall insofar as is reasonably possible
5 conform to up-to-date technology and coordinate its information functions with the
6 appropriate repository of records.

9 The commission shall have the following powers and duties:

10 1. To provide for dispute resolution among compacting states.

27 Commission in carrying out its powers and duties hereunder.

28 9. To elect or appoint such officers, attorneys, employees, agents, or consultants, and to fix
29 their compensation, define their duties and determine their qualifications; and to establish
30 the Interstate Commission's personnel policies and programs relating to, inter alia, conflicts

15 state, or the commissioner's representatives or employees, or the Interstate Commission's
16 representatives or employees, harmless in the amount of any settlement or judgment

23 ARTICLE VI.

24 RULEMAKING FUNCTIONS OF THE INTERSTATE COMMISSION.

25 A. The Interstate Commission shall promulgate and publish rules in order to effectively and

28 and rules adopted pursuant thereto. Such rulemaking shall substantially conform to the
29 principles of the "Model State Administrative Procedures Act," 1981 Act, Uniform Laws
30 Annotated, Vol. 15, p.1 (2000), or such other administrative procedures act, as the
31 Interstate Commission deems appropriate consistent with due process requirements under
32 the U.S. Constitution as now or hereafter interpreted by the U. S. Supreme Court. All rules

15 unlawful and set it aside. For purposes of this subsection, evidence is substantial if it would
16 be considered substantial evidence under the Model State Administrative Procedures Act.

17 E. If a majority of the legislatures of the compacting states rejects a rule, those states may,
18 by enactment of a statute or resolution in the same manner used to adopt the compact, cause
19 that such rule shall have no further force and effect in any compacting state.

20 F. The existing rules governing the operation of The Interstate Compact on Juveniles

32 1. The Interstate Commission shall oversee the administration and operations of the
33 interstate movement of juveniles subject to this compact in the compacting states and shall

1 monitor such activities being administered in non-compacting states which may
2 significantly affect compacting states.

3 2. The courts and executive agencies in each compacting state shall enforce this compact
4 and shall take all actions necessary and appropriate to effectuate the compact's purposes
5 and intent. The provisions of this compact and the rules promulgated hereunder shall be
6 received by all the judges, public officers, commissions, and departments of the state

18 resolve any disputes or other issues which are subject to the compact and which may arise
19 among compacting states and between compacting and non-compacting states. The
20 commission shall promulgate a rule providing for both mediation and binding dispute
21 resolution for disputes among the compacting states.

28 expenses of its establishment, organization and ongoing activities.

29 B. The Interstate Commission shall levy on and collect an annual assessment from each
30 compacting state to cover the cost of the internal operations and activities of the Interstate
31 Commission and its staff which must be in a total amount sufficient to cover the Interstate
32 Commission's annual budget as approved each year. The aggregate annual assessment
33 amount shall be allocated based upon a formula to be determined by the Interstate
34 Commission, taking into consideration the population of each compacting state and the

1 volume of interstate movement of juveniles in each compacting state and shall promulgate
2 a rule binding upon all compacting states which governs said assessment.

3 C. The Interstate Commission shall not incur any obligations of any kind prior to securing
4 the funds adequate to meet the same; nor shall the Interstate Commission pledge the credit
5 of any of the compacting states, except by and with the authority of the compacting state.

6 D. The Interstate Commission shall keep accurate accounts of all receipts and
7 disbursements. The receipts and disbursements of the Interstate Commission shall be
8 subject to the audit and accounting procedures established under its by-laws. However, all
9 receipts and disbursements of funds handled by the Interstate Commission shall be audited
10 yearly by a certified or licensed public accountant and the report of the audit shall be
11 included in and become part of the annual report of the Interstate Commission.

12 ARTICLE IX.

13 THE STATE COUNCIL.

14 Each member state shall create a State Council for Interstate Juvenile Supervision. While
15 each state may determine the membership of its own state council, its membership must
16 include at least one representative from the legislative, judicial, and executive branches of
17 government, victims groups, and the compact administrator, deputy compact administrator
18 or designee. Each compacting state retains the right to determine the qualifications of the
19 compact administrator or deputy compact administrator. Each state council will advise and
20 may exercise oversight and advocacy concerning that state's participation in Interstate
21 Commission activities and other duties as may be determined by that state, including but
22 not limited to, development of policy concerning operations and procedures of the compact
23 within that state.

24 ARTICLE X.

25 COMPACTING STATES, EFFECTIVE DATE AND AMENDMENT.

26 A. Any state, the District of Columbia (or its designee), the Commonwealth of Puerto
27 Rico, the U.S. Virgin Islands, Guam, American Samoa, and the Northern Marianas Islands
28 as defined in Article II of this compact is eligible to become a compacting state.

29 B. The compact shall become effective and binding upon legislative enactment of the
30 compact into law by no less than 35 of the states. The initial effective date shall be the later
31 of July 1, 2004 or upon enactment into law by the 35th jurisdiction. Thereafter it shall
32 become effective and binding as to any other compacting state upon enactment of the

compact into law by that state. The governors of non-member states or their designees shall be invited to participate in the activities of the Interstate Commission on a nonvoting basis prior to adoption of the compact by all states and territories of the United States.

C. The Interstate Commission may propose amendments to the compact for enactment by the compacting states. No amendment shall become effective and binding upon the Interstate Commission and the compacting states unless and until it is enacted into law by unanimous consent of the compacting states.

ARTICLE XI.

WITHDRAWAL, DEFAULT, TERMINATION AND JUDICIAL ENFORCEMENT.

Section A. Withdrawal

1. Once effective, the compact shall continue in force and remain binding upon each and every compacting state; provided that a compacting state may withdraw from the compact by specifically repealing the statute which enacted the compact into law.

2. The effective date of withdrawal is the effective date of the repeal.

3. The withdrawing state shall immediately notify the chairperson of the Interstate Commission in writing upon the introduction of legislation repealing this compact in the withdrawing state. The Interstate Commission shall notify the other compacting states of the withdrawing state's intent to withdraw within sixty days of its receipt thereof.

4. The withdrawing state is responsible for all assessments, obligations and liabilities incurred through the effective date of withdrawal, including any obligations, the performance of which extend beyond the effective date of withdrawal.

5. Reinstatement following withdrawal of any compacting state shall occur upon the withdrawing state reenacting the compact or upon such later date as determined by the Interstate Commission.

Section B. Technical Assistance, Fines, Suspension, Termination and Default

1. If the Interstate Commission determines that any compacting state has at any time defaulted in the performance of any of its obligations or responsibilities under this compact, or the by-laws or duly promulgated rules, the Interstate Commission may impose any or all of the following penalties:

- a. Remedial training and technical assistance as directed by the Interstate Commission;
- b. Alternative Dispute Resolution;
- c. Fines, fees, and costs in such amounts as are deemed to be reasonable as fixed by the Interstate Commission; and

1 d. Suspension or termination of membership in the compact, which shall be imposed only
2 after all other reasonable means of securing compliance under the by-laws and rules have
3 been exhausted and the Interstate Commission has therefore determined that the
4 offending state is in default. Immediate notice of suspension shall be given by the
5 Interstate Commission to the Governor, the Chief Justice or the Chief Judicial Officer of
